BIPOC/LGBTQIA+ PROCESSING GROUP

Queer in the time of COVID-19

This clinical counseling process group centers Black, Indigenous, and other clients of color in its admittance and is led by a team of queer counselors at various identity intersections.

SESSION INFO

• Sessions begin in late September 2021, will run virtually for 12 weeks, and will be 60 minutes long

TOPICS WILL INCLUDE

• What is Community?
• What does lost time look like?
• Cuffing season
• Ongoing/unacknowledged COVID concerns
• Client selected topics as well
