Nourishing Hope Request: The organization is seeking four co-chairs from prestigious companies headquartered in Chicago to help raise vital dollars for Nourishing Hope in 2022.

FOOD FOR TODAY, HOPE FOR TOMORROW

Nourishing Hope, formerly known as Lakeview Pantry, is a dynamic social services organization providing food, mental wellness counseling and other social services, such as job and housing assistance, to our Chicago neighbors in need.

Founded in 1970, we strive to serve the needs of the whole person — with respect and dignity always. We do this through providing food assistance and social service programming for our neighbors throughout Chicago at multiple physical sites, as well as through an online market and home delivery program.

Each year, Nourishing Hope provides about 4 million meals to Chicagoans across the city. This year, we also expect to provide more than 6,000 case management and free mental wellness services to our neighbors.

With your help, Nourishing Hope can continue to expand its free, one-of-a-kind services to communities around the city. Your leadership and visible support will make a lasting impact as we continue to serve at a higher than normal capacity due to the rising demand as a result of the pandemic.

Please join us by serving as a co-chair of the 2022 Nourishing Hope Gala.
