2. A parent or guardian must register as the primary household contact in order to register youth (17 years and younger). You can add youth or other household members on the next page.
3. After you register, you will receive an email with your personal volunteer site link, orientation and information on how to sign up for your first shift!

## How to add youth 15 and younger to a shift:

Youth sign up for volunteer shifts the same way as adults. Youth 9-15 years old must have a parent or guardian on the volunteer shift with them. Once a youth adds themselves to a shift, our team approves the shift and confirms that an adult parent or guardian volunteer is on the shift with them. If you have any questions, please reach out to [volunteers@nourishinghopechi.org](mailto:volunteers@nourishinghopechi.org).
