About Nourishing Hope

Nourishing Hope, formerly known as Lakeview Pantry, is a dynamic social services organization providing food, mental health counseling and other social services, such as job and housing assistance, to our Chicago neighbors in need. Founded in 1970, we strive to serve the needs of the whole person. We do this through providing food assistance and social service programming for our neighbors throughout the city at multiple physical sites, as well as through an online market and home delivery program.
