## FOOD FOR TODAY, HOPE FOR TOMORROW

Nourishing Hope is a dynamic social services organization providing food, mental wellness counseling and other social services, such as job and housing assistance, to our Chicago neighbors in need.

Founded in 1970, we strive to serve the needs of the whole person — with respect and dignity always. We do this through providing food assistance and social service programming for our neighbors throughout Chicago at multiple physical sites, as well as through an online market and home delivery program.

Each year, Nourishing Hope provides nearly 4 million meals to Chicagoans across the city. This year, we also expect to provide more than 6,000 case management and free mental wellness services to our neighbors.

With your help, Nourishing Hope can continue to expand its free, one-of-a-kind services to communities around the city. Your leadership and visible support will make a lasting impact as we continue to serve at a higher than normal capacity due to the rising demand as a result of the pandemic.
