ABOUT NOURISHING HOPE

Nourishing Hope, formerly known as Lakeview Pantry, is a dynamic social services organization providing food, mental wellness counseling and other social services, such as job and housing assistance, to our Chicago neighbors in need. Founded in 1970, we strive to serve the needs of the whole person — with respect and dignity, always.

OUR PROGRAMS

We offer food distribution programs at two walk-in food pantries, as well as an online market that allows families to place their customized grocery order on any device for pickup at one of three locations.

We have a home delivery program for our neighbors who are senior citizens, living with disabilities, or who may be homebound. Menu options include specialized packages for those with diabetes, high blood pressure or heart disease.

We provide social services including housing support, job search and training and public benefits assistance, as well as mental wellness counseling, that empower people to gain independence.
