

Dear Volunteers,

Nourishing Hope, formerly Lakeview Pantry, relies on people like you, individuals who want to make a difference in their community, to help us complete our mission.

Our name has changed, but our mission and values remain constant. You truly are the face of our organization and our representatives in the community. We strive to provide quality food, friendly service and hope for tomorrow.

You are the bearers of that hope. Together, we can work to eliminate hunger in our community and provide quality service to our neighbors.

We can also use this opportunity to learn from each other. Our diverse histories provide us with the chance to grow, establish new relationships and work to end poverty together. The connections we develop here can change hearts and minds, raise awareness of our cause and recruit new advocates for those in need.

Thank you for being someone who makes a difference, and thank you for joining our Nourishing Hope family.

Sincerely,

A handwritten signature in black ink that reads "Cicely Tatum-Johnson".

Nourishing Hope Mission, Vision, and Values

Mission: Nourishing Hope, formerly known as Lakeview Pantry, is a dynamic social services organization providing food, mental wellness counseling and other social services, such as job and housing assistance, to our Chicago neighbors in need. Founded in 1970, we strive to serve the needs of the whole person – with respect and dignity, always.

Vision: At Nourishing Hope, we believe in meeting people where they are and in reducing barriers to needed services. To that end, we provide food in a variety of ways – through two food pantries, an online market program, a home delivery service for older adults and people with disabilities, and through partnerships with area hospitals. We also provide free mental health counseling and social service case management for people with additional challenges beyond food insecurity. By growing partnerships with other trusted organizations, we're growing to serve more people throughout the city.

Our Organizational Values are:

- Accountability
- Community
- Dignity & Respect
- Equity
- Joy
- Sustainability

Commitment to Diversity, Equity, Inclusion and Belonging

At Nourishing Hope, diverse people are at the heart of who we are and what we do, and we aim to celebrate that diversity in all aspects of our community and our workplace—providing a space that values equity and dignity for everyone.

In order to accomplish our mission, we believe that programming must be responsive to the specific needs of each person who comes through our doors. We will serve our communities with an awareness of cultural differences and strive to treat all individuals with respect and dignity.

This commitment is a journey and Nourishing Hope strives to incorporate diversity, equity, inclusion, and belonging into our organizational policies and procedures, as these are key components of our strategic plan, and fundamental to our mission of providing food for today and hope for tomorrow.

Code of Conduct and Anti-Harassment Policy

Nourishing Hope is dedicated to maintaining a supportive environment that values individual diversity in which respect for the individual is encouraged and protected. We are committed to maintaining an environment free from all forms of harassment and insist that all employees, clients, board members, volunteers, vendors, and other third parties be treated with dignity, respect, and courtesy.

Harassment on the basis of an individual's actual or perceived race, color, religion, sex, sexual orientation, gender identity, age, pregnancy, national origin or ancestry, disability, military service, veteran status, genetic information, order of protection status, parental status, source of income,

housing status or any other category designated by federal, state, or local laws will not be tolerated. Nourishing Hope reserves the right to cancel volunteer involvement at any time if there is a breach of our code of conduct and anti-harassment policy.

Sexual harassment is a form of gender harassment. This policy prohibits harassment based on an individual's actual or perceived gender regardless of whether the offensive conduct is sexual in nature and regardless of whether it rises to the level of a legal violation. Any unwelcome conduct based on gender is prohibited regardless of whether the individual allegedly engaged in "harassment" and their alleged targets are of the same or of different genders.

The conduct prohibited, whether verbal, physical, or visual, includes any discriminatory action and any unwelcome conduct directed at or affecting someone because of that individual's protected status.

Any volunteer who believes they are being harassed by another person, or who is a witness to such harassment, should promptly inform the Director of Donor & Volunteer Engagement, any Nourishing Hope manager, director or officer, human resources or the CEO.

Abuse Policy & Procedure

Therefore, it shall be established that our organization will have **zero tolerance** of any and all inappropriate behaviors of any staff, volunteers and/or participants (including family and family friends) occurring both on our premises and off. Nourishing Hope will hold everyone's safety as top priority and will strive to maintain this priority by holding all staff, volunteers and participants accountable to this policy.
